La nostra mission

Non vogliamo limitarci a produrre guanti.

Ogni giorno, insieme ai nostri clienti, vogliamo risolvere i problemi quotidiani nella protezione delle mani sui luoghi di lavoro.

Ogni giorno il nostro team di Ricerca e Sviluppo esplora nuove soluzioni per offrire, alle aziende che ci scelgono, i guanti da lavoro di domani.

We don't want to limit ourselves to producing gloves.

Every day, together with our customers, we want to solve everyday problems in the protection of hands on the workplace.

Every day our Research and Development team explore new solutions to offer, to the companies that choose us, tomorrow's work gloves.
